³ For I will pour water on him who is thirsty, and floods on the dry ground; I will pour My Spirit on your descendants, and My blessing on your offspring! Isaiah 44:3

What joy unspeakable to be back healthy and fired up for the Lord!! My next 30 years in Mexico are going to be far more glorious than the first, even as the latter temple has greater glory than the first!

And I thank Jesus for your prayers and faith to see God glorified! As a team we are unstoppable as Jesus is the one doing the work for His glory! How I thank him for you!!

There is thirst in Mexico and Jesus is pouring out His Spirit on a new generation of young people! Pastor Fermin Caballero, a young ex-rap music star, is one of this next generation's of young pastors seeing God's blessing as never before!

In a major Mexican newspaper, El Universal, they recently ran an article on the rapid growth of evangelical Christianity www.eluniversal.com.mx/primera/36437.html. In the article, one evangelical church is singled out... the Calvary Chapel (Semilla) where Fermin pastors in Mexico City. It mentioned the success of teaching the Bible verse by verse, chapter by chapter!!! We just had one of our Pastor's Conferences there and the Spirit is moving as they have 2,000 on Sunday mornings!

Mexico City Pastor's Conference

But the churches in other cities, Merida, Queretaro, Aguascalientes, Cuernavaca, Rosarito, Mexicali and Ensenada are also experiencing wonderful growth! In fact, there are now 70 Calvary fellowships throughout Mexico!!

As well as pastoring in Ensenada with Jonathan, I am working to encourage these new churches and the pastors to stay focused on Jesus and let the Spirit lead the people through the Word of God. It is so beautiful to be a part of a family and not feel isolated. As we work toward expanding our TV show from statewide to nationwide, our desire is to have fellowships where new believers can be discipled.

I hope you rejoice with me as we have seen God's healing touch and blessing on the next generation of pastors and missionaries! I pray that you would see that God is working even when you can't see it or feel it. We just need to get out of the way!! Let him raise up a young, fresh, new group of laborers in His final harvest!! To God be the glory!!

Flying Under His Wing,

Juan Domingo
